PLANNING ON SELLING? HAVE A PENDING CONTRACT ON YOUR HOME?

If you are in the process of selling your home or have a pending contract, I would like to invite you to contact me if I might be of any assistance to you regarding your own home financing. A home mortgage is such an important part of your overall financial plan, and I specialize in making sure that my clients feel educated and confident as they make choices about the many options available for their financing strategy.

Our rates and costs are very competitive, and I would match my customer service level beyond any in the area. I have attached a tear-off coupon for a free appraisal. Even if you would just be interested in getting a comparison quote, please feel free to contact me. I would be honored to service your needs.

Congratulations on your impending sale!

Sincerely,

A handwritten signature in black ink that reads "Sandra M. Womack".
